LEGISLATOR STEVE STERN'S "GIVE THE GIFT OF OUR PARKS" BILL PASSES LEGISLATURE UNANIMOUSLY

Program to promote the beauty and amenities of Suffolk County Parks

HUNTINGTON, NY –Suffolk County Legislator Steve Stern’s legislation to promote visits to Suffolk County’s beautiful parks was passed unanimously by the Legislature at the April General Session. The “*Give the Gift of Our Parks*” program will enable residents to purchase gift cards for golf courses, camping and Suffolk County’s world-renowned beaches. Local County Parks include West Hills and Berkeley-Jackson.

“Our beautiful parks, hiking, camping and golf courses are among the best in the entire world,” Legislator Stern said. “The ‘*Give the Gift of Our Parks Program*’ encourages residents to purchase gift cards for friends, co-workers and family members to enable as many people as possible to enjoy our spectacular parks.” To purchase gift cards, please call the Parks Administration Office at (631) 854-4949.
